Google Mobile Sync for Android

Setting up Everett Community College Email on your Android device is easy as 1,2,3.

Getting Started

● To set up a Google account, press Menu from the Home screen, and then tap Settings

● Select Accounts & Sync

● Choose Add Account

● Select Google and then tap Next

● Follow the on-screen instructions to enter your campus user name and password

   Please look at http://email.everettcc.edu/ for examples.

FYI If you don't want to synchronize automatically, press Menu on the Home screen, and then tap Settings > Accounts & sync and then uncheck Background data and Auto-sync.

A video of another process of setting up a Google Account is available on YouTube: http://youtu.be/AcNaFavBXLo
