A GIFT OF LIFE INSURANCE TO THE EvCC FOUNDATION

You may choose to name the EvCC Foundation as the beneficiary for all or a portion of your life insurance proceeds. The monies are distributed outside of probate and are not subject to federal estate tax, sometimes referred to as the "death tax."

Life insurance enables donors to make much larger gifts than they might otherwise have been able to afford. By transferring a life insurance policy to the EvCC Foundation, the donor will qualify for a tax deduction equal to the cash surrender value of the actual policy. If the donor continues to pay premiums after the policy is transferred, the premiums would be considered a charitable deduction as well.

The EvCC Foundation’s federal tax ID (EIN) is:
91-1280495.*
