Everett Community College's pathways are designed to help you succeed.

Pathways are groups of related degrees and certificates. Each pathway has a team of academic advisors who will work with you to create a plan for your education.

Students with a clear path are more likely to achieve their academic goals. Starting Fall 2018, all new students will select a pathway before registering for classes.

Each pathway has a support team who will work with you throughout your educational journey at EvCC.
