

Monroe High School

**Monroe High School Alternative Placement**  
 (for graduates who plan to take mathematics at EvCC  
 within one year of high school graduation  
 or for Running Start students.)

*As of: 11/30/2021*

The goal of Everett Community College is to encourage student success in mathematics. Realistic placement is critical for a student's success. In addition to our ACCUPLACER assessment, students may be placed according to the following chart:

**NOTE: Students who have earned a C or lower in their last math class must be placed by ACCUPLACER or by their previous math class taken.**

| <i>If your last math course in high school was ...</i> | <i>and you earned a grade of ...</i>  | <i>and completed that course within _____</i>         | <i>your placement will be ...</i>   |
|--|---|---|---|
| Algebra I or Algebra I Block                           | C+ or better  | One or two years                                      | Math 076 or Math 079  |
|  | B or better   | One or two years                                      | Math 086  |
| Geometry or Honors Geometry                            | C+ or better  | One or two years                                      | Math 076 or Math 079  |
|  | B or better   | One or two years                                      | Math 086  |
| Algebra II or Honors Algebra II or Algebra III/Trig.   | C or better   | Three years   | Math 104 + Math& 141  |
|  | C+ or better  | Two years   | Math 086  |
|  |   | One year  | Math 096 or Math& 107, 146  |
|  | B or better   | Two years   | Math 096 or Math& 107, 146  |
| One year   |   | Math& 107, 141*, 146, Math 138                        |   |
| Pre-Calculus   | A- or better  | One or two years                                      | Math& 107, 141*, 146, Math 138  |
|  | C+ or better  | One or two years                                      | Math 096 or Math& 107, 146  |
|  |   | Two years   | Math 096 or Math& 107, 146  |
| B or better  | One year  | Math& 107, 141*, 146, Math 138                        |   |
|  | A- or better  | One or two years                                      | Math& 107, 141*, 146, Math 138  |
| Honors Pre-Calculus                                    | C+ or better  | Two years   | Math 096 or Math& 107, 146  |
|  |   | One year  | Math& 107, 141*, 146, Math 138  |
|  | B or better   | Two years   | Math& 107, 141*, 146, Math 138  |
|  |   | One year  | Math& 107, 141, 142, 144, 146, 148, 151*, Math 138                                      |
| A- or better   | One or two years  | Math& 107, 141, 142, 144, 146, 148, 151*, Math 138    |   |
| Calculus or AP Calculus AB or AP Calculus BC           | 1/2 on AP test or no test with a class grade of C or better (within 2 yrs.) |   | Math& 107, 141, 142, 144, 146, 148, 151*, Math 138<br>(May wish to meet w/Math Faculty) |
|  | 3 or better on AP AB Test or the AB Subscore of AP BC Test                  |   | Math& 152   |
|  | 3 or better on AP BC Test   |   | Math& 163   |
| AP Statistics  | See EvCC Catalog  | Follow placement for highest math course taken above. |   |

NOTE: Students in Financial Fitness, Discrete Math, Probability and Statistics, and Math Applications must be placed by ACCUPLACER or by using the highest math course taken prior to that course. Students whose last math class was Survey of Algebra I or Survey of Geometry must be placed by ACCUPLACER.

\* Math& 141, 142, 144, 148, and 151 require significant time and effort, often more than the minimum of 10 hours of out of class study time per week. Math & 144 is designed as a review of the topics in Precalculus (Math& 141 and Math& 142).

Placement by this method expires one academic year after the student graduates from high school. The sooner the student takes his/her math class at EvCC, the better success the student is likely to have -- since math skills are forgotten over time.

**Please communicate to the students: After the quarter starts, if they feel they have been placed in a math class that is too advanced, they should talk with their instructor.**
