PLACEMENT TESTING

Required of all students taking 7+ credits or taking courses with English and/or math prerequisites.

Students who have more than 45 college credits, or who have completed college composition or math classes at another college (with a grade of C or higher), may submit a copy of their college transcript to the Enrollment Services Office with a written request for a placement test waiver. The form is at www.everettcc.edu/studentforms

The waiver may be for a portion of the test, and waiver of the placement test does not necessarily satisfy course prerequisites.

A foreign language placement test may be required for placement in a foreign language course. Contact the Testing Center for testing times. No fee.

The main campus Testing Center is located in Glacier Hall, room 109. Schedule and hours are at www.everettcc.edu/testing or call 425-388-9288.

The EvCC East County Campus offers testing in Monroe Monday-Thursday. Call 425-259-8732 to schedule.

GED® TESTING

GED® testing is offered by appointment in the Glacier Hall Testing Center. The schedule is available at www.everettcc.edu/testing or by calling 425-388-9288.

GETTING STARTED DETAILS

The Veterans’ Resource Center (VRC) is located in the Baker Hall, Room 203, 425-388-9277. Staff are available to assist veterans and activate all veterans’ educational benefits.

- Veterans may be eligible for priority registration. Work with the VRC to determine your eligibility.
- If you are on a waitlist for a class, work with the VRC to make sure funding is in place.
- The VA will not pay for online or hybrid courses below 100 level.
- Military veterans, current members of the National Guard, and some dependents of deceased or permanently disabled veterans may be eligible for a tuition discount. Must be Washington residents. Contact the EvCC Veterans Resource Center for certification. An approved certification card must be submitted at the time of registration.
- Active-duty military and dependents, and dependents of National Guard members, may be eligible for resident tuition if they are otherwise classified as non-residents. A copy of active duty orders and dependent card (or other verification) is required at the time of registration.

GI Jobs Magazine named EvCC a military friendly school.

Mandatory Advising

FREQUENTLY ASKED QUESTIONS

MONEY

What if I need financial aid?
1. Start the process by completing the online Free Application for Federal Student Aid ("FAFSA") at www.fafsa.gov Use this website only for the FAFSA because some other websites charge a fee.
2. EvCC’s Financial Aid Office will email you when they receive your FAFSA with the additional information they need from you. Your application is not complete until you submit this information. Get the additional information and forms to them by the deadlines listed at www.everettcc.edu/fa
3. Monitor your financial aid account using the Student Financial Aid Portal: www.everettcc.edu/FAstatus
4. If your entire application (FAFSA and additional documents/information) is complete by the deadline, you may qualify for a hold on your account, so that you are not dropped from classes. If you qualify the hold is automatically done by Financial Aid.
5. If you change your mind about attending, you must drop your classes.

What if I don’t qualify for Financial Aid?
The Financial Referral Center assists students in locating non-financial aid funding sources. Some are based on income or program, so visit them and find out if you qualify for funding. Visit www.everettcc.edu/frc for a list of funding options.

What if I owe EvCC money?
Your registration and access to your transcript may be blocked until all debts are resolved. Make sure you clear your account at least 24 hours before you want to register for classes. The College reserves the right to bill students for unpaid tuition and fees or drop students from unpaid classes. Returned checks, cancelled credits cards, employer refusal to pay, ineligibility or lateness for financial aid and other reasons for non-payment may result in a direct bill to the student and/or referral to a collection agency.

What if I dropped a class. Do I get a refund?
Look at the refund deadlines on page 5. Some classes have different deadlines, and those will be listed in the class schedule listings. All drops must be by close of business on the deadline day. A refund, if due, is mailed to the student’s address on file or credited back to the credit card or agency. Refunds can take up to five weeks to process. Refunds under $10 will only be processed with a written request from the student. For students receiving financial aid, refunds may also be calculated in accordance with state/federal rules. These formulas are published in the Financial Aid procedures manual. Dropping classes during the quarter may trigger a request for repayment of financial aid money.

What if someone else is paying my tuition?
If your funding source does not cover all of your tuition and fees, it is your responsibility to pay the remaining charges. Following are some common third party payment sources.

REGISTRATION

What if I’m on a waitlist?
1. Monitor your waitlist status daily through the Student Kiosk www.everettcc.edu/kiosk You will not be notified if you are moved into the class. Once you are in a class, standard tuition deadlines apply (see page 4).
2. Being on a waitlist never guarantees entry into the class.
3. Waitlists run automatically through the day before the quarter begins.
4. Most Importantly: You do not have to pay tuition for waitlisted classes unless/until you are actually moved off the waitlist and into the class. Financial Aid, Veterans and other populations needing to prove you are registered full-time (12 credits): If you are on a waitlist those credits will not show in your total credits or tuition due. Your check/funding may be delayed until you get off the waitlist and into the class. Advisors can help you explore alternatives.
5. As vacancies occur in the class, we automatically move the top name on the waitlist into the class.
6. If you are on a waitlist when classes begin, you must go to the first class to guarantee consideration for the class. If the class is online, please email the instructor by the first day of the class to indicate you are still interested in being in the class.

What if I sign up for classes and then decide not to attend (for whatever reason)?
Drop the classes you are not going to attend. Never assume that the college has dropped you just because you didn’t show up for classes or because your financial aid funding didn’t go through.

CHILD CARE

What if I need child care?
• Early Learning Center is on campus for children 12 months – 5 years old.
• Qualifying EvCC students receive priority enrollment, subsidized rates, or free ECAP preschool. Go to www.everettcc.edu/elc
FEES

All students in credit classes are charged these two fees once each quarter:

• Campus Enhancement Fee: $5 per credit (maximum $50)
• Technology Fee: $3.50/credit (maximum $35)

TESTING FEES

• COMPASS placement testing Fee: $30 (nonrefundable); test retakes: $10
• GED® test series: $120 ($30/section)
• Proctor test fee: $15

SELF-SUPPORT CLASSES

Self-support classes are identified in the class schedule listings. Self-support classes do not follow the tuition rates. Financial Aid will pay for self-support but some funding sources will not.
Self-support classes: $106.64 per credit.

CLASS FEES

Some classes require additional fees. If applicable, the specific amount of the fee appears in the class listing.

If an employer or agency is paying your tuition: Go to the Cashiers Office after you register and submit payment authorization forms. Otherwise you risk being dropped due to non-payment. If your agency or employer needs proof that you are registered full-time, your best bet is to register early and work with an advisor if your classes are waitlisted. If you are moved from the waitlist into a class, you must pay immediately.

HOW TO PAY

Online: Using Student Kiosk with Visa or MasterCard at www.everettcc.edu/creditcardpay
In Person: At the Cashiers Office in Parks 201. We accept check, money order, cash, personal checks (for the exact amount of tuition and fees), Visa, Mastercard or debit card.

20/40 PAYMENT PLAN

EvCC offers the 20/40 Plan. Students may make three payments: The first payment of half the tuition and fees is due by the normal deadline. The second and third payments are due by the 20th calendar day and the 40th calendar day of one quarter. There is a $10 fee for this service. Students start the process by going to the Cashiers Office by the 5th day of the quarter and asking for the 20-40 Plan form. This option is not available to students enrolled in self-support programs, EMS, Fire Science, Medical Transcription, Medical Coding and CCEC.

PAYMENT DEADLINES

If you register May 8 - August 13, tuition is due August 13 at 5:30pm. If you register August 18 - September 11, tuition is due within 5 business days. If you register on or after September 12, tuition is due September 19 by 4:30pm.

Note: The college reserves the option to bill for or drop students from unpaid classes. Students who are receiving financial aid, a scholarship, or third-party payment must make prior arrangements with Financial Aid and Cashiers Office in order to avoid being dropped. By registering you are taking personal responsibility to pay tuition and/or fees.

TUITION FOR FALL QUARTER 2014

Note: Fees for self-support classes vary. See description above, as well as the specific course listings for unique fees. See Payment Deadlines for the payment schedule and deadlines. Tuition for Fall 2014 may increase. Students who register for Fall May - July should check their account on August 1 for corrected tuition and fees. Fees listed in the courses section of this schedule are also subject to change. Visit www.everettcc.edu for more information.

HOW TO READ CLASS LISTINGS

ENGL 002 Creative Course
PR: Placement by assessment score on the writing portion or a grade of C or higher in ENGL 001. CR: Students MUST take H DEV 004 concurrently.

*For section C (3672) there is a lab fee of $23.20.

Online course. EvCC Online courses begin September 22. Online fee: tuition + $2.50 per credit. See pages 8 and 9 for more information.

Hybrid course; a portion of the work is done online. You must have reliable Internet access or you may use an EvCC open student computer lab. Class meets weekly on campus. Online fee: tuition + $2.50 per credit.

Web Enhanced classes are face-to-face courses that require the use of ANGEL or other web-based tools. Web enhanced classes: tuition + $2.50 per credit.

Honors; a class that provides an opportunity to do honors-level coursework, which, once completed will appear on the student's transcripts as (Course): Honors.

Learning Communities link two or more courses structured around a theme to provide an in-depth look at subjects.

Appendix to course descriptions:

Read the descriptions CAREFULLY! A lot of the classes have different fees and prerequisites for each individual section. This means that ENGL& 101 could have eight sections and two could have fees, two could be taught in a lab, and four could have different prerequisites. Don’t think that because the name of the course is the same that the same rules and fees apply every time.

If a prerequisite, corequisite, or fee applies to a specific section, it will say so here and have an asterisk. It’s important to know that if there is a prerequisite, corequisite, or fee without an asterisk at the front, then it applies to EVERY section of that course. In the example shown to the left, the grade of C or higher prerequisite applies to every section, from A to C because it has no asterisk. The lab fee applies ONLY to section C because it has an asterisk.

Look for the fees - such as lab fees, class fees, fees per credit, studio fees, and special fees. They’ll all be listed in the description, so be aware of fees. You’re responsible for paying fees up front, and you don’t want to be surprised when you go to pay for your classes.

Some classes are split, like the Section C class shown to the left. The class meets in one room on some days, and in another room on other days. Split classes may meet at different times, in different places, or with different instructors. Make note of any split classes on your schedule, so you can keep track of your class.

### ENGLISH

#### How to Meet English/Writing Prerequisites

Initial placement in pre-college-level composition courses (ENGL 097 and 098) and in English Composition I (ENGL 101) is by assessment test scores. Entry into composition courses numbered higher than ENGL 101 (ENGL 102, 103, 105, 211 or ENGL 230) is by earning a grade of C or higher in ENGL 101. For a weekly testing schedule, call 425-388-9288 or go to www.everettcc.edu/testing.

If you have English credits from another college or university and you plan to enroll in a course that has a prerequisite (ENGL 101, ENGL 102, 103, 105, 211 or ENGL 230) you should bring a copy of your transcript and course description to the Enrollment Services Office two weeks prior to registration. Students who have English as a second language and who are not yet ready for ENGL 097 should refer to the next section for ENGL 097.

LEARNING COMMUNITIES
Learning Communities combine two or more courses from different disciplines to provide an in-depth look at a subject. They are team-taught by two or more instructors and are usually organized around a theme. Students must enroll in all the courses in the Learning Community.

Fast Track Nursing
So, you want to be a nurse? This accelerated path Learning Community combines Chemistry 121 and Biology 211. Designed primarily for pre-nursing/ pre-dental hygiene students, the course offers full immersion into the fundamentals necessary for success in upper level science courses and nursing/dental hygiene. Students will learn chemistry and biology in an integrated approach.

Living with Mayhem
Flourish in a fun and supportive community of learners who will study the Earth's mayhem (natural disasters) from a variety of perspectives, perform hands-on lab experiments, observe the evidence of these events on field trips, and connect those activities through writing and research projects.
This course combines the study of the Earth-produced natural disasters (earthquakes, tsunamis, volcanoes, landslides, floods, etc.) with the study of the dynamic process of writing effective essays. Enhance your knowledge of the Earth's mayhem by exploring it through a variety of essay formats. And hone your writing skills by focusing on an in-depth study of the Earth.

**MEDICAL CODING**

The Medical Coding program uses web-based curriculum to deliver training for assigning current year medical codes. The program is offered in an online environment, which may be entered at the beginning of any quarter and requires an average of 35-40 hours of study time per week. The program focuses on providing the training required for students to sit for a certification test with either AHIMA or AAPC.

An educational certificate is awarded upon successful completion of this 44-credit program

Only Medical Coding students should enroll in MC classes.

For more information about the courses, call toll-free 1-866-304-3822 or email success@everettcc.edu.

For current course schedule information go online to www.everettcc.edu/mc

Refund/Withdrawal Policy: Deadline for 100% refund or to make schedule changes is the 5th day of the quarter by 4:30pm Pacific Time. There is no 50% refund option. If you need to withdraw you must call 1-866-304-3822. If you have been awarded financial aid to attend this program and you withdraw prior to the end of the quarter, you may be financially responsible for repaying all or part of the financial aid awarded to you.
**MEDICAL TRANSCRIPTION**

The Medical Transcription Editor certificate program is offered through the Health Sciences and Public Safety Division. Students transcribe and edit medical dictation of increasing difficulty while learning shortcuts to increase productivity. Completion of this program prepares the student to enter the workforce as an entry-level medical transcriptionist/editor.

A one-year certificate is awarded upon successful completion of the program.

Only Medical Transcription students should enroll in MT classes.

For financial aid, enrollment, or registration questions email success@everettcc.edu or call 1-866-304-3822.

TUITION REDUCTION PROGRAMS

For state-supported classes, several types of students may be eligible for tuition reduction.

Senior Citizens, age 60 or older, may audit one or two classes, for $5 each plus fees, on a space available basis, beginning the 6th day of the term. Contact the Enrollment Services Office. Registration prior to the 6th day causes disqualification. Seniors using the audit are not required to complete orientation.

State employees and educators in the K-12 public schools may contact EvCC’s Human Resources Office to seek eligibility for registration, at a 75% discount, on a space-available basis, beginning the 1st day of the term. Registration prior to the 1st day causes disqualification.

Certain non-residents may be eligible for a discount on the non-resident tuition. Contact Enrollment Services for eligibility criteria.

For veterans tuition information, see page 5.

Typically, tuition reduction programs do not apply to self-support classes. All lab fees, special fees, books and supplies must be paid. For information about other tuition reduction programs, contact Enrollment Services.
