Questions: 425-388-9339

EverettCC.edu/Advising

FREQUENTLY ASKED QUESTIONS

MONEY

What if I need financial aid?

1. Start the process by completing the online Free Application for Federal Student Aid (“FAFSA”) at fafsa.gov or the WASFA (HB1079/ Qualifying DACA Students) at readyssetgrad.org. Use only the government website for the FAFSA because some other websites charge a fee.
2. EvCC’s Financial Aid Office will email you when they receive your FAFSA or WASFA with the additional information they need from you. Your application is not complete until you submit this information. Get the additional information and forms to them by the deadlines listed at EverettCC.edu/FA
3. Monitor your financial aid account using the Student Financial Aid Portal: EverettCC.edu/FAstatus
4. If your entire application (FAFSA/WASFA and additional documents/information) is complete by the deadline, you may qualify for a hold on your account, so that you are not dropped from classes. If you qualify the hold is automatically done by Financial Aid.
5. If you change your mind about attending, you must drop your classes.

What if I don’t qualify for Financial Aid?

The Workforce Funding office assists students in locating non-financial aid funding sources. Some are based on income or program, so visit them and find out if you qualify for funding. Visit EverettCC.edu/Workforce for a list of funding options.

What if I owe EvCC money?

Your registration and access to your transcript may be blocked until all debts are resolved. Make sure you clear your account at least 24 hours before you want to register for classes. The College reserves the right to bill students for unpaid tuition and fees or drop students from unpaid classes. Returned checks, cancelled credits cards, employer refusal to pay, ineligibility or lateness for financial aid and other reasons for non-payment may result in a direct bill to the student and/or referral to a collection agency.

What if I dropped a class. Do I get a refund?

Look at the refund deadlines on page 4. Some classes have different deadlines, and those will be listed in the class schedule listings. All drops must be by close of business on the deadline day. A refund, if due, is mailed to the student’s address on file or credited back to the credit card or agency. Refunds can take up to five weeks to process. Refunds under \$10 will only be processed with a written request from the student. **For students receiving financial aid**, refunds may also be calculated in accordance with state/federal rules. These formulas are published in the Financial Aid procedures manual. Dropping classes during the quarter may trigger a request for repayment of financial aid money.

What if someone else is paying my tuition?

If your funding source does not cover all of your tuition and fees, it is your responsibility to pay the remaining charges. Following are some common third party payment sources.

Your employer is paying. As the student, you are responsible for submitting a payment voucher from your employer or agency to the Cashiers Office in Parks 201. Submit it immediately after registration. If there will be a short delay in payment, work with the Cashiers Office to see if your account can be on “hold” so you won’t be dropped from classes for non-payment.

Trade Act is paying. Work with Workforce Funding before registering. Immediately after registering, go to the Cashiers Office and identify yourself as a Trade Act student, so your account is properly created. Questions: 425-259-8755.

Worker Retraining is paying. Work with Workforce Funding. Questions: 425-259-8755.

Opportunity Grant is paying. Work with Workforce Funding. Grants must be validated every quarter. Questions: 425-259-8755.

REGISTRATION

What if I’m on a waitlist?

1. Monitor your waitlist status daily through My EvCC. Everettcc.edu/MyEvCC You will be notified by email if you are moved into a class. Once you are in a class, standard tuition deadlines apply (see page 4).
2. Being on a waitlist never guarantees entry into the class.
3. Waitlists run automatically through the last business day before the quarter begins.
4. **Most Importantly:** You do not have to pay tuition for waitlisted classes unless/until you are actually moved off the waitlist and into the class. **Financial Aid, Veterans and other populations needing to prove you are registered full-time (12 credits):** If you are on a waitlist those credits will not show in your total credits or tuition due. Your check/funding may be delayed until you get off the waitlist and into the class. Advisors can help you explore alternatives.
5. If you are on a waitlist when classes begin, you must go to the first class to guarantee consideration for the class. If the class is online, please email the instructor by the first day of the class to indicate you are still interested in being in the class.

What if I sign up for classes and then decide not to attend (for whatever reason)?

Drop the classes you are not going to attend. Never assume that the college has dropped you just because you didn’t show up for classes or because your financial aid funding didn’t go through.

CHILD CARE

What if I need child care?

- Early Learning Center is on campus for children 12 months – 5 years old.
- Qualifying EvCC students receive priority enrollment, subsidized rates, or free ECEAP preschool. Go to EverettCC.edu/ELC

TUITION AND PAYMENT

FEES

All students in credit classes are charged these three fees once each quarter:

- **Campus Enhancement Fee: \$5 per credit (maximum \$50)**
- **Technology Fee: \$3.50/credit (maximum \$35)**
- **Student Green Fee: \$.50 per credit (maximum \$7.50)**

TESTING FEES

- Accuplacer placement testing fee: \$33.70 (nonrefundable); test retakes: \$11.24
- GED® test series: \$120 (\$30/section) paid through GED.com
- Proctor Test fee for non-EvCC Students: \$25 for the first two hours and \$15 for every additional hour
- Chinese, French, German, Italian and Spanish advanced placement: \$10

SELF-SUPPORT CLASSES

Self-support classes are identified in the class schedule listings. Self-support classes do not follow the tuition rates. Financial Aid will pay for self-support but some funding sources will not.

Self-support classes: \$107.64 per credit.

CLASS FEES

Some classes require additional fees. If applicable, the specific amount of the fee appears in the class listing.

If an employer or agency is paying your tuition: Go to the Cashiers Office after you register and submit payment authorization forms. Otherwise you risk being dropped due to non-payment. If your agency or employer needs proof that you are registered full-time, your best bet is to register early and work with an advisor if your classes are waitlisted. If you are moved from the waitlist into a class, you must pay immediately.

HOW TO PAY

Online: Pay with Visa or MasterCard at

EverettCC.edu/CreditCardPay

In Person: At the Cashiers Office in Parks 201. We accept check, money order, cash, personal checks (for the exact amount of tuition and fees), Visa, Mastercard or debit card.

TUITION PAYMENT PLAN

EvCC offers a Tuition Payment Plan. Students make two payments. The first payment of half the tuition and fees is due by the normal deadline. The second is due by the 35th calendar day of the quarter. There is a \$10 fee for this service. Students start the process by going to the Cashiers Office by the 5th day of the quarter and asking for the Tuition Payment Plan form. This option is not available to students enrolled in self-support programs, EMT, Fire Science, Medical Transcription and Editing, Medical Coding and CCEC.

PAYMENT DEADLINES

If you register November 7-December 19, tuition is due within 5 business days. If you register on or after December 20, tuition is due January 4 by 4:30pm. Once the quarter starts, tuition is due at the time of registration. **Note:** The college reserves the option to bill for or drop students from unpaid classes. Students who are receiving financial aid, a scholarship, or third-party payment must make prior arrangements with Financial Aid and Cashiers Office in order to avoid being dropped. By registering you are taking personal responsibility to pay tuition and/or fees. Fees listed in the courses section of this schedule are also subject to change. Visit **EverettCC.edu** for more information.

TUITION FOR WINTER QUARTER 2020

H Hybrid course; a portion of the work is done online. You must have reliable Internet access or you may use an EvCC open student computer lab. Class meets weekly on campus. Online fee: tuition + \$2.81 per credit.

WE Web Enhanced classes are face-to-face courses that require the use of CANVAS or other web-based tools. Web enhanced classes: tuition + \$2.81 per credit.

D Diversity course. This course satisfies the diversity requirement for all associate degrees.

HOW TO READ CLASS LISTINGS

A lot of the classes have different fees and prerequisites for each individual section. This means that ENGL& 101 could have eight sections and two could have fees, two could be taught in a lab, and four could have different prerequisites.

1 ENGL 002 Creative Course 0
 PR: Placement by assessment score on the writing portion or a grade of C or higher in ENGL 001. CR: Students MUST take H DEV 004 concurrently.

2 *For section C (3672) there is a lab fee of \$23.20.

3668	A	daily	7am-7:50am	BAK 206	Staff
3670	B	daily	8am-8:50am	BAK 210	Staff
3672	C	MWF	8am-8:50am	SHK 223	Staff
		TTh	8am-8:50am	SHK 226	

1 If a prerequisite, corequisite, or fee applies to a specific section, it will say so here and have an asterisk. It's important to know that if there is a prerequisite, corequisite, or fee without an asterisk at the front, then it applies to EVERY section of that course. In the example shown to the left, the grade of C or higher prerequisite applies to every section, from A to C because it has no asterisk. The lab fee applies ONLY to section C because it has an asterisk.

2 Look for the fees - such as lab fees, class fees, fees per credit, studio fees, and special fees. They'll all be listed in the description, so be aware of fees. You're responsible for paying fees up front, and you don't want to be surprised when you go to pay for your classes.

3 Some classes are split, like the Section C class shown to the left. The class meets in one room on some days, and in another room on other days.

Some classes that use the college's online learning management system may be combined with other classes or other sections of the same class. This means course activities could require you to interact with students enrolled in other classes or class sections. Please refer to the online class schedule for the most up-to-date information about which courses may be combined: EverettCC.edu/Classes

How to Meet English/Writing Prerequisites

Initial placement in pre-college-level composition courses (ENGL 097 and 098) and in English Composition I (ENGL& 101) is by assessment test scores. Entry into composition courses numbered higher than ENGL& 101 (ENGL& 102, 103, 105, ENGL& 230 or ENGL& 235) is by earning a grade of C or higher in ENGL& 101. For a weekly testing schedule, call 425-388-9288 or go to EverettCC.edu/Testing.

If you have English credits from another college or university and you plan to enroll in a course that has a prerequisite (ENGL& 101, ENGL& 102, 103, 105, ENGL& 230 or ENGL& 235) you should bring a copy of your transcript and course description to the Enrollment Services office two weeks prior to registration.

Students who have English as a second language and who are not yet ready for ENGL 097 should take the CASAS placement test. Contact the Transitional Studies Division at 425-388-9339 for further information.

YOUR MONEY OR YOUR LIFE

English 101 and Math 107 with extra support

Do you need both ENGL& 101 and MATH 107? Get extra support in both in "Your Money or Your Life," a linked English and Math class with I-BEST support.

ENGL& 101 readings and assignments foster deeper understanding of MATH& 107 concepts. Students are encouraged to think about the social justice implications of what they are learning in both courses.

With the support of a cohort of peers and an English, Math, and Transitional Studies instructor, students have the opportunity to successfully complete two major prerequisite courses in one quarter. Students must register for both classes, (ENGL& 101 section O and MATH& 107 section HY).

ENGL 098/098D Introduction to College Writing 5

PR: Placement by assessment test score on the writing portion or a grade of C or higher in ENGL 097 or ESL 097 or IELP 097.

RESIDENCY FOR TUITION PURPOSES

For tuition purposes, students eligible for resident tuition rates are defined as follows:

Financially independent students who have been domiciled in the State of Washington for at least the past twelve months, and who are not in the state primarily for educational purposes, and who are not claimed as a dependent for tax purposes by a parent or guardian outside of Washington, or receiving funds from another agency which requires residence in another state. OR

Dependents of parents or legal guardians who are domiciled residents of the State of Washington. OR

Active military personnel stationed in Washington State and their spouses and dependents with qualifying identification, OR

Active members of the Washington National Guard and their spouses or dependents who live in Washington with qualifying identification. OR

Honorably discharged veterans, who have served at least 90 days and have a home of record outside Washington State and who did not discharge from a Washington State military installation if they move to Washington State, possess a current Certificate of Eligibility for federal veteran education benefits, and enroll in a Washington State higher education institution within three years of discharge; OR

Members of selected regional tribes. OR

Persons who resided in Washington State for three full years immediately prior to receiving a high school diploma and completed the full senior year at a Washington high school or who completed the equivalent of a high school diploma and resided in Washington State for the three years immediately before receiving the equivalent of the diploma, and continuously resided in Washington since earning the high school diploma or its equivalent. Contact the Residency Officer in Enrollment Services to determine eligibility for this resident tuition status.

All other students are considered to be non-residents for tuition-paying purposes. Special Note: US citizens and permanent residents living in Washington who have not yet gained residency in Washington State may be eligible for a partial tuition reduction. Contact Enrollment Services for more information.

Any current non-resident student who wishes to be reclassified as a resident student must complete a Residency Questionnaire for determination of eligibility.

Applications for reclassification in the current quarter must be submitted to the Enrollment Services Office before the 30th calendar day of the quarter. If the College discovers an error in the student's residency status during the quarter, the Dean of Enrollment and Student Financial Services will determine whether or not additional tuition and fees are due.

TUITION REDUCTION PROGRAMS

For state-supported classes, several types of students may be eligible for tuition reduction. Typically, tuition reduction programs do not apply to self-support classes. All lab fees, special fees, books and supplies must be paid.

Senior Citizens, age 60 or older, may audit one or two classes, for \$5 each plus fees, on a space available basis, beginning the 6th day of the term. Contact the Enrollment Services Office. Registration prior to the 6th day causes disqualification. Seniors using the audit are not required to complete orientation or advising.

State employees and educators in the K-12 public schools may contact EvCC's Human Resources Office to seek eligibility for registration, at a 75% discount, on a space-available basis, beginning the 1st day of the term. Registration prior to the 1st day causes disqualification.

COURSE REPEAT POLICY

Courses may be repeated to improve the grade earned, but credit is only earned once. To repeat a course, the student must register for the course, submit a course repeat card at the time of registration and pay all necessary fees. A course may only be repeated twice. See the College Catalog for specific procedures. The course repeat form is also available on the web at

PUBLIC INFORMATION

TITLE IV STUDENT COMPLAINT PROCESS

The Higher Education Act (HEA) prohibits an institution of higher education from engaging in a "substantial misrepresentation of the nature of its educational program, its financial charges, or the employability of its graduates." 20 U.S.C. §1094(c)(3)(A). Further, each State must have "a process to review and appropriately act on complaints concerning the institution including enforcing applicable State laws." 34 C.F.R. § 600.9. The Washington State Board for Community and Technical Colleges (SBCTC) maintains a process to investigate complaints of this nature brought by community and technical college students in the State of Washington. For more information, contact the SBCTC Student Services Office at 360-704-4315.

DIRECTORY INFORMATION

Under law, the College may release the following information on students to anyone who inquires: student name, major field of study, participation in officially recognized activities and sports, height and weight of athletic team members, quarters attended, degrees or awards received, birthdate, enrollment status (part-time or full-time) e-mail address, and last previous educational agency or institution attended by the student. The College may also release information to schools in which the student seeks enrollment, to agencies working under an agreement with the College, and to military recruitment services (under the Solomon Amendment.) All other information may be released only upon written permission by the student. A "Pre-authorized Emergency Information" release form is also available in Enrollment Services. A student may request that his or her directory information not be released. A full description of our practices is available in Enrollment Services.

STUDENT IDENTIFICATION

Students are required to provide Everett Community College with their correct Social Security Number (Tax Identification Number). The Internal Revenue Code allows for the assessment of penalties against students who fail to provide a correct Social Security Number to the College. Failure to comply with this requirement may result in civil penalties in the amount of \$50 per IRC infraction being assessed by the IRS pursuant to the Internal Revenue Service (IRS) Internal Revenue Code (IRC) 6050S and 6051. The purpose of this requirement is to provide for the issuance of Form 1098-T, Tuition Payments Statement. Everett Community College needs a correct Social Security Number to report the amount each student paid for qualifying tuition and fees to both the student and the IRS on Form 1098-T. The 1098-T contains information related to claiming tuition and fee deduction, the Hope Scholarship credit and/or the Lifetime Learning Credit on your taxes. See the College Catalog for further information about the use of your Social Security Number.

STUDENT RIGHTS AND RESPONSIBILITIES

The College's Student Rights and Responsibilities Handbook contains information about Student Government, College policies and procedures and contact information. It also outlines expectations for student behavior, as well as processes for addressing conflicts, grievances, and disruptive behavior. A copy is available from the Dean of Student Development, phone 425-388-9282 or online at EverettCC.edu/StudentHandbook

STATE SUPPORT OF HIGHER EDUCATION STUDENTS

The average cost to educate a resident full-time community or technical college student for the 2019-20 academic year is \$9,565. Students pay an average of \$3,269 in tuition toward this cost. The remaining \$6,296 is an "opportunity pathway" provided by the State and is funded by state taxes and other sources. The amounts shown are averages for a full-time, resident student. The actual tuition a student pays will vary due to credit load, residency status and other factors.
