AVIATION MAINTENANCE TECHNOLOGY
PROGRAM FAQs

1. WHAT IS THE PROGRAM SCHEDULE?
   The Aviation Maintenance Technology program begins fall quarter and is a two-year program.
   • Fall, winter, and spring quarters (12 weeks) from 8 a.m. to 2:30 p.m.
   • Summer quarter (8 weeks) from 7:30 a.m. to 2:30 p.m.

2. HOW DO I GET STARTED?
   Your first step is to attend a free quarterly information session. The information session is a mandatory prerequisite to the program. Anyone interested in the program may attend. Visit EverettCC.edu/Aviation for dates and additional program admissions information.

3. HOW MANY STUDENTS DO YOU ACCEPT INTO THE PROGRAM EACH YEAR?
   50 students are accepted into the program each year.

4. WHAT ARE THE PROGRAM PREREQUISITES?
   Refer to the curriculum guide for all prerequisite information.

5. HOW DO I DEMONSTRATE THAT I HAVE MET MY PREREQUISITES?
   For Math 080 and English 098 prerequisites, the aviation office will need one of the following before April:
   • College placement test scores within the past 2 years or
   • Unofficial college transcripts (official transcripts will need still to get submitted to the main campus) or
   • If you are a current or recent WA high school graduate in the past five years, official high school transcript or
   • Smarter Balance Assessment score report within the past 2 years or
   • An advanced placement exam score of 3 or higher in math and English

6. WHAT IF I DON’T MAKE THE MID-APRIL DEADLINE FOR MY PREREQUISITES?
   If there are registration codes available AFTER the registration dates for the students who met the priority deadline, the aviation office will issue any remaining codes on a first-come, first-served basis.

7. HOW AND WHEN DO I REGISTER FOR CLASSES?
   Registration for fall quarter classes happens in the month of May. Once registration codes are received from the aviation office, the student will follow the college assigned registration appointment time-line. This information is available in MyEvCC at EverettCC.edu.
9. I AM AN INTERNATIONAL STUDENT. HOW DO I GET INTO YOUR PROGRAM?
   Attend a quarterly information session.
   Work directly with EvCC International Education office for all other registration processes.

10. WILL I HAVE MY A&P LICENSE WHEN I’VE COMPLETED THE PROGRAM?
    Completion of our program provides authorization to test for the FAA written and Oral & Practical (O&P) exams, but does not include the test. You are responsible for the test and associated costs, which are not eligible for financial aid.

11. WHO SHOULD I CONTACT TO DISCUSS DEGREE OPTIONS?
    Please email aviation@everettcc.edu or call 425-388-9533 to arrange a meeting with an advisor.

12. I ALREADY HAVE PREVIOUS WORK OR MILITARY AVIATION MAINTENANCE EXPERIENCE. CAN I TAKE ONLY A PORTION OF THE PROGRAM?
    The FAA requires that students take an entire section (General + Powerplant, General + Airframe) to receive authorization to test for a license. The FAA FSDO office can evaluate prior documented experience for approval to immediately test for your license.

13. I HAVE MILITARY OR WORK FUNDING THAT WILL PAY FOR MY A&P CLASSES. WHAT SHOULD I DO?
    • For military funding contact the EvCC Veterans Resource Center
    • For workforce funding contact the EvCC Cashiers Office

    Yes, provided we obtain a copy of your license or a copy of your 8610-2 FAA approval form granting you permission to test. Submit either documentation to the aviation office directly.

15. I’M TRANSFERRING FROM ANOTHER FAA A&P (PART 147) SCHOOL AND I’D LIKE TO FINISH THE PROGRAM. WHAT DO I DO?
    You must contact the aviation office directly and provide the following for them to evaluate your possible entry into the EvCC A&P program:
    • Unofficial transcripts from your former school
    • Course description of classes
    • Official verification of completed FAA hours from your previous school
