Graduating with Honors requires me to complete 20 Honors credits, to include the HUM 195/196 courses (5 credits total), 10 credits in either honors sections or by individual honors contracts in at least two DTA academic disciplines, and a 5-credit honors Capstone Project. It is my responsibility to find willing instructors to participate in honors contracts and to supervise my honors Capstone Project.

I must maintain and graduate with an EvCC college-level GPA of 3.50 or higher, and remain in good standing. If my GPA falls below 3.50 for one quarter, I will be placed on probation with the Honors Program. If it falls below 3.50 for a second quarter, I will no longer be eligible to participate in the Honors Program until such time as my college-level GPA raises above 3.50.

I will also participate in the annual Honors Forum, showcasing my capstone project. This includes creating a two-minute video recording as a highlight of the work, and an individual portrait sitting on campus. I will also be available for a group picture with my fellow program graduates prior to the Honors Forum.
