

SCHOOL OF COSMETOLOGY

Learn to delight clients with the latest hair care, natural hair services, and basic skin care. Learn exceptional customer service skills and safety and sanitation procedures.

You'll also learn how to perform salon business operations, operate the front desk, and manage inventory control in the dispensary.

The curriculum meets Washington state requirements for theory and practical applications and will prepare you to take the written and practical exams for your cosmetology license. You can earn a certificate or an Associate of Technical Arts (ATA) degree.
