About Everett Community College

Improve your personal skills, discover new ideas, prepare for work and/or university transfer, and improve your career prospects through programs at EvCC.

Each term, about 9,800 students enroll in a wide variety of courses. Day, evening, distance, and workplace-based options are available. Students may enroll on a full-time or part-time basis. EvCC offers two-year associate degrees, short-term certificates, endorsements and industry certifications.

Student life can be active. Currently, EvCC offers athletic programs in basketball, baseball, and soccer, to name a few.

Student clubs range from Phi Theta Kappa (the Honor Society) to the First Nations Club to the International Club to the German Club, and more. Our Student Government and Programs Board are always on the go with activities that make college life fun. There are also opportunities to develop leadership skills.

Student services are designed to support students in their studies, remove barriers, and enrich student life. Financial aid services offer grant and loan opportunities, as well as scholarships. Our Counseling, Advising and Career Center has a rich array of information and personal assistance for students. The Diversity & Equity Center supports student activities that promote growth and opportunity toward cultural understanding.

Former EvCC students have found employment in business and industry, in small business, in community service agencies, in schools, and in other locales. Our transfer students are known to do very well at the UW, WWU and other schools.

## IMMUNIZATIONS CHECKLIST

- **Instructions:** Because you will be completing a ride-along in an ambulance and observing in a hospital emergency room as part of this training, you are required to submit documentation of immunizations. Documentation consists of signed and dated records of the immunization administration from your health care provider regarding each immunization. A **“titer” is a blood test that shows whether or not you are immune to the disease.**

- **Clinical Rotation Requirements:** You may need to provide verification of your immunizations to the rotation sites. Please make copies of your immunization records to take with you.

**Immunization verifications are required at the time you submit your application for the EMT class.**

Use this as a checklist and attach any verification forms with this checklist before submitting an application.

- Attach proof of immunizations to this form. This form is for office use only.
