

Associate in Arts & Sciences – Direct Transfer (DTA)

GENERAL INFORMATION

Global education provides for the study of international issues within a multidisciplinary frame work. An education that focuses on the interdependence of communities fuels your ability to contribute to important decision-making processes. Each **Endorsement** is designed as an introduction to cultural, political, and economic perspectives of processes at the global level.

There are four areas where an **Endorsement** can be earned:

1. Global Citizenship **Endorsement**
2. Global Health **Endorsement**
3. Policy and Conservation **Endorsement**
4. Social Entrepreneurship **Endorsement**

Each **Endorsement** outlines a different set of courses and is usually associated with a course of study to be pursued once the student reaches the university setting. While you might take some courses in each of the **Endorsements**, you must ultimately choose *at least one Endorsement*. You may be able to achieve more than one **Endorsement** if you plan your classes carefully. It is strongly suggested that you meet with a Global Studies advisor to best determine the courses that will form this educational foundation.

Typically, students follow-up their community college studies at the bachelor's degree level, and then at the master's level. Enjoy the benefits of smaller classes (and lower tuition) by beginning your college study at a community college and then transferring to a university.

GETTING STARTED AT EVCC

Our Enrollment Services Office provides information about application, advising, orientation and registration for new and continuing students. New degree-seeking students must complete entry advising through the Advising Center prior to first quarter registration.

Contact:

- Enrollment Services, Parks Student Union, (425) 388-9219, admissions@everettcc.edu
- Advising Center, Rainier 108, (425) 388-9339

YOU HAVE OPTIONS

Any student at Everett Community College can complete the courses required for an **Endorsement** in one or more of the four **Endorsements**. As an emphasis, Global Studies is relevant to many types of careers and interests.

After the final quarter of study, submit an **Endorsement Application (c/o Catherine Groger, Gray Wolf Hall, Room 318, (425) 388-9320, Communication and Social Sciences Division office)**. Please note that the **Endorsement** does not appear on your transcript, so retention of your documentation paperwork is critical.

Completion of an entire associate degree is not required. However, the Global Studies **Endorsements** do fit very well into the requirements of the **Associate in Arts and Sciences (AAS-DTA)**. This degree meets statewide guidelines for smooth transition to most of Washington's colleges and universities, and several in Oregon. Upon obtaining the degree you will have completed most or all of the lower division, general education typically required within a bachelor's degree. The complete description of the specific degree program you have chosen is provided in the Associate of Arts and Sciences Direct Transfer Guide. A checklist for the Global Studies **Endorsement** within the Associate in Arts and Sciences degree is provided on the fourth page of this guide.

Alternatively, the **Associate in Business (DTA)** is also a good match for the Social Entrepreneurship **Endorsement**.

These are several careers and personal interest areas that benefit from a Global Studies **Endorsement**:

- | | |
|----------------------------------|-------------------|
| ● Government | ● Business |
| ● Non-governmental organizations | ● Media |

Associate in Arts and Sciences - DTA

This checklist is targeted at transfer students with an interest in pursuing a **Global Studies** or related degree at a four-year institution. It should be maintained by the student while at Everett Community College. The quarter before expected completion, this checklist should be submitted by the student, with a diploma application, to the Enrollment Services Office. This checklist refers to requirements listed in the curriculum guide titled “Associate in Arts and Sciences - DTA”, which lists all the courses which are approved for the various categories of requirements. Note: **Though courses in a foreign language are not required in the AAS-DTA degree, for the student interested in Global Citizenship Endorsement, World Language skills are a requirement and are strongly recommended for the other two Endorsements.**
