

Medical Receptionist Medical Administrative Support Business Technology ATA

(Transfers to CWU toward Information Technology & Admin Management BAS Degree)

GENERAL INFORMATION

Completion of the Medical Receptionist and Medical Administrative Support certificates help students develop computer literacy in Microsoft Office software, medical terminology, insurance reimbursement, front office registration, and patient communication skills. These certificates and the degree are designed to prepare students to successfully enter the workforce. Good English, oral and written communication skills, excellent human relations skills, and a typing speed of at least 40 words per minute for medical receptionists and 60 words per minute for medical administrative support personnel are strongly recommended for successful job placement. Employment opportunities for trained medical receptionists and medical administrative support personnel are expected to experience faster than average growth. Employment is generally found in health-related office environments such as physicians' offices, hospitals, clinics, group medical practices, and other medical-care facilities.

Medical receptionists and medical administrative support personnel perform such duties as greet patients and family members, maintain patient records, process insurance, schedule appointments, file, communicate using telephone and written communication, type, and manage the office and personnel.

Anyone with a felony conviction should reconsider the program choice because it could prevent employment in the medical field.

The certificates and degree are offered online as well as on campus. Every course is not offered each quarter, so please consult the class schedule and a program advisor to plan course selection. Students entering the program should have basic keyboarding (type by touch) and basic math skills. Eligibility for Math 80 or higher is recommended. Students entering the program without basic keyboarding skills should take BT100.

BT ATA Degree can be applied toward a Bachelor of Applied Science in Information Technology and Administrative Management (ITAM) through Central Washington University on the EvCC campus. For more information go to www.uceverett.org.

PROGRAM ADVISORS

It is essential to meet with a program advisor and maintain the certificate or degree checklist while at Everett Community College. Contact one of the EvCC advisors listed below to help you select which degree/certificate pathway to follow and to create your Degree Audit Plan. If no answer, call the division office at 425.388.9243.

Kathy Kneifel	OLY 215	425.388.9155	kkneifel@everettcc.edu
Kathryn Willestoff	OLY 218	425.388.9242	kwillestoff@everettcc.edu
Theresa Markovich	OLY 217	425.388.9241	tmarkovich@everettcc.edu

GETTING STARTED AT EVCC

Enrollment Services provides information about application, orientation and registration for new and continuing students; contact Enrollment Services, Parks, Room 201, 425.388.9219, admissions@everettcc.edu. New students requiring advising should contact the Advising Center, Rainier Hall, Room 104, 425.388.9339, www.everettcc.edu/advising.

APPLYING FOR GRADUATION

Two quarters before expected completion, the certificate/degree checklist should be submitted with a diploma application to the Enrollment Services Office. A full description of the college requirements for earning a certificate or degree is contained in the college catalog.

Approved May 25, 2017 Instructional Council

For information about graduation rates, the median debt of students who complete the program, and other important information, please visit the EvCC web site at www.everettcc.edu/gainfulemployment.
