How to Fund an EvCC Club

What makes a club eligible for funding?

Eligible clubs must...

- Be chartered and approved by the ASB Vice President of Clubs and Student Initiatives, Associate Dean of Student LIFE and Executive Vice President of Instruction and Student Services.
- Have an up-to-date (less than 3 years old) constitution on file with Student LIFE.
- Have at least one club advisor.
- Have a membership of nine (9) or more currently enrolled EvCC students.

How does a new club get funding?

Initial funding: New clubs may receive up to $150 from the Club Development fund. New clubs must submit a plan, in writing, for the utilization of their proposed budget when requesting funds from the Club Development fund.

Fundraising: Clubs may also generate their own funds through authorized fund raising activities. Student LIFE must approve fund raising activities at least two weeks prior to the fundraising project.

Supplemental funding: New Clubs may also create a proposal for additional funding from Club Council. Club Council may allocate up to $250 per quarter to a club.

Are clubs funded during the summer?

Clubs become inactive during the summer quarters and do not have access to funding unless given approval by the Associate Dean of Student LIFE.

What about religious or political Clubs?

All Everett Community College clubs are invited to apply for funding, including religious and political organizations; however, due to federal and state constitutional requirements, EvCC is not allowed to fund any activity which involves religious worship, exercise or instruction. In addition, student funds may be used to support certain political activities if done by the recognized EvCC Student Government Association.

How does my club get a budget?

The budget development process gives existing clubs an opportunity to request a budget for the following year. New clubs that are active during the annual budget development process may apply for funding by submitting their budget request. Tip: Budget workshops are held in winter quarter for club officers and advisors who would like assistance with filling out their budget requests.
What is Club Council?

Club Council

Club Council is designed to allow clubs to network with other clubs, share ideas, information and plan the quarterly Club Fest event and club networking opportunities.

- Provides important dates and club information.
- Creates club networking opportunities.
- Shows club leadership and goal making.
- Approves funding proposals by other EvCC chartered clubs/organizations.

Club Council Attendance

- It is mandatory for clubs to have at least one representative at Club Council meetings in order to stay in good standing.
- Clubs get one “excused absence” per quarter. This excused absence must be in writing and sent to the ASB Vice President of Clubs for approval prior to the Club Council meeting that will be missed.
- Missing two consecutive meetings (per quarter) will remove your good standing status.
- Clubs will be notified about the dates of Club Council and the process for submitting a proper excused absence. If the problem is not resolved within the 14 day period or within one (1) Club Council meetings the club will fall into inactive status.
- A club member can represent no more than two clubs at Club Council meetings but may only cast one vote.

Club Council Voting

- At least nine clubs must be represented in order to have a quorum and approve any funding proposals.
- Voting members for the Club Council represent the majority decision of their designated club.
- Club Council can approve up to $250 per quarter, per club.
- Clubs must put funding proposals in writing and submit them to the ASB Vice President of Clubs a week prior to the club council meeting that it will be voted on.

What is Good Standing?

Chartered Clubs are given “good standing” status automatically on activation. Maintaining “good standing” will require the club to:

- Have a consistent membership of nine (9) or more active members and at least one advisor.
- Participate in mandatory Club Council meetings.

Everett Community College does not discriminate on the basis of race, color, religious belief, sex, marital status, sexual orientation, gender identity or expression, national or ethnic origin, disability, genetic information, veteran status or age.
