BACKGROUND INFORMATION

The 2023-24 FAFSA/ WASFA calculates the Expected Family Contribution (EFC) based on your reported 2020 income and does not provide an opportunity to share information about changes to your income or circumstances. We can review these circumstances **with supporting documentation**. If this petition is approved, the Financial Aid Office will revise your FAFSA/ WASFA and adjust your EFC. This may result in a change to your financial aid offer. Our ability to modify your offer will depend on availability of funds and the extent to which your circumstances reduce your EFC.

A review of this petition does not guarantee an approval or adjustment to your financial aid offer.

The deadline to submit this petition is May 1st, 2024 or before the end of the last quarter attended. Allow a minimum of 4-8 weeks for review and notification after initial file review is completed. This form can be submitted **once** per academic year.
