The Student Emergency Fund consists of limited nonstate dollars acquired through grants, donations and fundraising activities. Upon availability of funds, loans and or grants may be provided to students as a “resource of last resort.”

- Student must list a minimum of two other places they have contacted for help with books. (EvCC library, Student Activities Book Sale Board, Instructors, family and friends)
- Bring a copy of your class schedule.
- You are required to attend the first days of classes. The funds are limited to $200.00 per student. KNOW which classes you have the most homework and reading, and cannot find the book in the EvCC library of some other way.

Financial Referral Center makes emergency fund allocation decisions. Transactions serving students are reported to the Financial Aid Office and may affect need when calculating financial aid eligibility and awards.
