Worker Retraining Approved Programs 2018-2019

Aviation Maintenance Field

- Aerospace Composites Foundations Certificate (5 credits)
- Aerospace Composite Technician Certificate (40 Credits)
- Aviation Maintenance Technology Certificate (73 – 75 credits)
- Aerospace Fabrication and Welding Certificate (33 Credits)
- Aircraft Electronics Certificate (16 credits)
- Aircraft Wiring Certificate (12 credits)
- Aircraft Avionics Systems Certificate (12 credits)
- Avionics Technician Certificate (40 credits)
- Aircraft Electronics Technician Certificate (55 credits)
- Aviation Maintenance Technology ATA (90 credits)
- Airframe/Avionics ATA (125 credits)
- Aircraft Electronics Technician ATA (125 credits)

Advanced Manufacturing Technology

- CATIA v5 Certificate (27 credits)
- Composites Certificate (40 credits)
- Composites ATA (90 credits)
- Engineering Technology (CAD) Certificate (39 credits)
- Mechatronics System Certificate (19 Credits)
- Mechatronics ATA (90 credits)
- Manufacturing Pre-Employment Certificate (12 credits)
- Principles of Precision Machining Certificate (40 credits)
- Precision Machining ATA (90 credits)
- Robotics Foundation Certificate (5 credits)
- Technical Design (CAD) Certificate (37 credits)
- Technical Design (CAD) ATA (90 credits)

Business Field

- Accounting ATA (90 credits)
- Bookkeeping Certificate (50 credits)
- Business Administration Certificate & ATA (90 credits)
- Business Support Office Assistant Certificate Pathway (43 credits)
- Business Support Administrative Assistant Certificate Pathway (63 credits)
- Business Technology – Administrative Support ATA (90 credits)
- I-Best Sustainable Office Certificate (19 Credits)
- Project Management Certificate (99 hours of class work)
- Retail Management Certificate (43 Credits)

Cosmetology Field

- Cosmetology Certificate (77 credits)
- Hair Design Certificate (70 credits)
- Cosmetology ATA (92 credits)

Graphic and Web Design Field

- Interactive Web Design Certificate (44 credits)
- Interactive Web Design ATA (91-96 credits)
- Graphic Design Certificate (49-52 credits)
- Graphic Design ATA (96-99 credits)

Legal Field

- Legal Office Support Certificate (43 credits)
- Legal Office Assistant Certificate (73 credits)
- Business Technology – Legal Office Support ATA (90 credits)
Early Childhood Education Field

- Early Childhood Education ATA (90 credits)
- State Initial Early Childhood Education Certificate (12 credits)
- State Short Early Childhood Education Certificate of Specialization – General (20 credits)
- State Short Early Childhood Education Certificate of Specialization – Infants and Toddlers (20 credits)
- State Short Early Childhood Education Certificate of Specialization – Administration (20 credits)
- State Early Childhood Education Certificate (47 credits)

Information Technology Field

- Computer Support Specialist Certificate (23 credits)
- System Administrator Certificate (43 credits)
- Network Administrator Certificate (20 credits)
- Cybersecurity Support Technician Certificate (15 credits)
- Information Technology ATA (90 credits)

Health Care Field

- Emergency Medical Technician (EMT) (13 credits)
- Healthcare Risk Management Certificate (15 credits)
- Medical Administrative Support Certificate (73 Credits)
- Medical Administrative ATA (90 credits)
- Medical Assistant Certificate (85 credits)
- Medical Billing Specialist (42 Credits)
- Medical Coding Certificate (44 Credits)
- Medical Receptionist Certificate (43 Credits)
- Medical Spanish Interpreter (10 credits)
- Medical transcription and Editing Certificate (43 credits)
- Nursing Assistant Certified (10 credits)
- Nursing AAS-T/ NDA (125 credits)
- Phlebotomy technician Training (19 credits)
- Radiologic Technology Prerequisites (65.7 credits)

Welding Field

- Advanced TIF Welding Certificate (16 credits)
- Aerospace Fabrication & Welding Certificate (33 Credits)
- Entry Level Welding Certificate (14 credits)
- Sub-Arc Welding Certificate (14 credits)
- Welding and Fabrication Certificate (40 credits)
- Welding and Fabrication ATA (90 credits)
