Meaningless
by Brittany Yost

Sun rises, sun sets
the river runs into the sea
meaningless.

The wind blows, east and west
the mountain high as far can see
meaningless.

The riches of the land
silver and gold
the flowers and sand
cattle in its fold
meaningless.

Dreams, labels
knowledge, wisdom,
hopes, fables,
liberty, freedom
meaningless.

Music’s sweet sound
the steps of dance
written words found
an artist stance
is simply meaningless
without Love.
