

# Dual Enrollment with the University of Washington, Bothell

## Advantages:

- You prepare early for your university major in:
  - \* **Business**
  - \* **Interdisciplinary Studies**
  - \* **Computing and Software Systems**
- You have the guarantee of university admission if you take the right classes and keep your GPA at 3.0 or higher.
- You have the opportunity to take university classes while you are still taking EvCC classes.

## Here's How It Works:

### FIRST YEAR:

- Enroll at EvCC.
- Attend a Dual Enrollment Meeting\*.
- Meet with the advisor assigned to you at the Dual Enrollment Meeting.
- Take the classes recommended by your advisor.

\*Dual Enrollment Meetings are available at the Lucy Booth, located next to the Parks Espresso stand, Tuesdays at Noon, or on Monday evenings, 5-6pm in Enrollment Services.

### SECOND YEAR:

- When you are ready to register for your 45<sup>th</sup> EvCC credit (about your 3<sup>rd</sup> quarter), go to [www.uwb.edu/de](http://www.uwb.edu/de).
- Complete the Dual Enrollment application form and bring it to Enrollment Services.
- After a brief interview in Enrollment Services, mail the application and fee to UWB.
- If you are receiving financial aid at EvCC, submit the form to the right to EvCC's Financial Aid Office. Do Not Delay!
- After Dual Enrollment admission, work with a UWB advisor to select the UWB classes that fit your schedule – you can take UWB classes while you are taking your EvCC classes.
- About 18 weeks before you are ready to graduate from EvCC, submit a diploma application to EvCC and a regular admission application form to UWB. If you have met the conditions of your dual enrollment, you will be admitted to UWB. (Depending on the Quarter you wish to enter UWB, you may need to submit an admission application earlier.)
