

REQUEST FOR PLACEMENT TEST WAIVER

Enrollment Services office, 2000 Tower St, Everett WA 98201

Students may request a full or partial waiver of the skills assessment if they have completed more than 45 college-level credits. This will waive the requirement to take our placement test for admission; however you may still need to take the placement test for EvCC courses that require Math or English pre-requisites.

If we can determine an equivalent to an EvCC English course (ENGL& 101 or above with a grade of C or higher), we will waive our English placement test. If we can determine the completion of intermediate algebra / college algebra or higher (with a grade of C or higher), we will waive the Math placement test. Students may also submit ASSET, COMPASS or ACCUPLACER scores from another college. Test scores remain valid for a period of 3 years.

To be considered for a placement test waiver, the student must present college transcripts (for waiver purposes an unofficial transcript is acceptable) or test score results to the Office of Enrollment Services along with this completed waiver form. Please allow at least 4 business days for processing. **Forms may be faxed to: 425-388-9173.**

Please print clearly:

Name: _____

Student ID Number: _____

(Your student ID number is given to you at the time of your first admission or registration)

Street Address: _____

City _____ **State** _____ **Zip** _____

Email: _____ **Daytime phone number:** (____) _____

Please make sure we can contact you during regular business hours at the phone number you provide to us.

Attach your transcripts or test score report, or verify that those documents have already been received by Enrollment Services.

My transcript/test scores are attached.

My transcript/test scores are already in the Enrollment Services Office

(It is the student's responsibility to verify this information)

Your Signature: _____

Date: _____

Note: If you successfully completed English and math classes at EvCC you do not need to request a placement test waiver.
