

Google Mobile Sync for Android

Setting up Everett Community College Email on your Android device is easy as 1,2,3.

Getting Started

- To set up a Google account, press **Menu** from the **Home screen**, and then tap **Settings**
- Select **Accounts & Sync**
- Choose **Add Account**
- Select **Google** and then tap **Next**
- Follow the on-screen instructions to enter your campus user name and password
Please look at <http://email.everettcc.edu/> for examples.

FYI If you don't want to synchronize automatically, press **Menu** on the Home screen, and then tap **Settings > Accounts & sync** and then uncheck **Background data** and **Auto-sync**.

A video of another process of setting up a Google Account is available on YouTube:
