## Magazines, Newspapers and Journals

Journals and magazines usually provide the more current information on a topic. Journal articles are more scholarly or professional while magazine articles tend to be shorter and more general. Newspaper articles, while not usually scholarly or professional, can give you the most current news and some additional facts on your topic. To find articles on your topic, use one of the online databases listed below. They are available at <http://www.everettcc.edu/library/index.cfm?id=5782>. Use subject headings similar to those used to locate books listed below. The Library also has print indexes that may be used to find older articles, generally anything published before 1985.

### Online Databases

**Proquest**

**Academic Search Elite**

**Health and Wellness Resource Center**

### Print Indexes
