

## GENERAL INFORMATION

Everett Community College offers a **Certificate in Cosmetology and an Associate in Technical Arts degree**. The certificate may be earned through a sequence of courses over five quarters, covering at least 1730 clock hours of instruction. The Associate degree may take six or seven quarters, depending on progress. The certificate and degree programs prepare students to take the Washington State licensing exams.

Cosmetology classes give students experience in such customer services as shampooing, skin care, nail care, modern hair cutting and styling, tinting and bleaching, permanent waving, chemical relaxing, wig care, artificial hair, blow drying and iron curling. Also included in the instruction are safety measures in the handling and use of chemicals, sterilization of equipment, various disorders/diseases of the hair, skin, and nails and their proper treatment, salon management, retail selling, cosmetic chemistry, electricity and anatomy. The curriculum meets requirements established by the State of Washington for cosmetology for both theory and practical applications.

EvCC does not offer programs in Barbering, Nail Technology, Esthetics, or Instructor Training at this time.

Classes are taught in a laboratory setting at the College's School of Cosmetology located at 9315 State Avenue, Suite G, in Marysville. During Fall, Winter and Spring Quarters, hours of operation are 8am – 4pm, Monday, Tuesday, Wednesday and Friday, and noon to 8pm on Thursday. Summer Quarter hours of operation are 8am - 5pm, Monday, Tuesday, Wednesday and Friday, and 11am to 8pm on Thursday.

A board consisting of shop owners, managers, instructors, and alumni serves in an advisory and resource capacity for the program.

## CAREER OPTIONS

The job market for cosmetologists and instructors is excellent. Persons with this training are much in demand and generally find employment. The curriculum is designed to prepare students for at least beginning employment/job entry. Job placement help is available if needed.

According to a recent study conducted by the National Accrediting Commission of Cosmetology Arts and Sciences (NACCAS) the average salon income, including tips, ranges from \$30,000 - \$50,000 per year. The industry is at a “zero unemployment” rate, needing more new professionals than it can supply. Employment may be found through salons or through creating an individual business.

## SUGGESTED PREPARATION

Admission to the Cosmetology Program requires a high school diploma or GED certificate. Applicants must be at least 16 years of age, of good mental and physical health, and have a high degree of manual dexterity. The ability to read, write and interpret the English language is a priority. A pleasing personality and the ability to communicate and work well with others are important, as is stamina and good health since professionals must be on their feet the majority of time, and, in many cases, around chemicals.

Prior to enrolling in Cosmetology courses, students must demonstrate readiness for MATH 60 <sup>[30]</sup> or higher, and ENGL 98. This is done through skills assessment. Contact the EvCC Testing Center for days and times for this testing, 425-388-9288. New students will also receive testing information after applying for admission to EvCC.
