

Tribal Enterprise Management Program

GENERAL INFORMATION

The **Tribal Enterprise Management** program is a unique opportunity to progress through a series of short-term certificates relevant to workers in such tribal enterprises as hotel, restaurant and gaming services. The goal of the courses and program is to enable workers to build skills and knowledge that move them from entry level positions into mid-management and administration.

The program is a combination of in-class learning, online interaction and hands-on experience. Customized training is emphasized so that special topics and skills are continuously integrated and updated.

Students may start and end with a short-term certificate, or may continue to complete a series of certificates that will result in the completion of an Associate in Technical Arts (ATA) degree in Business Administration. With special advising and the completion of additional general education courses, students could continue toward a bachelor's degree.

The Evergreen State College offers a Bachelor of Arts degree at Tulalip, focused on reservation-based and community-determined issues, such as ethics, management, social policy, social services, cultural traditions, comparative societies, leadership, literature. The Tribal Enterprise Management program, which culminates in the ATA, and when it includes completion of English 101 with a grade of C or higher, is good preparation for that Bachelor's degree program. Call 425-252-9505 for more information.

SUGGESTED PREPARATION

Basic skills in writing and mathematics are helpful. In addition, students should have touch-system keyboarding skills. Attention to detail, the ability to organize information, and a desire to work with people are helpful characteristics.

Persons interested in learning about the program, or in participating in the admission, testing, orientation and registration processes are welcome to attend these special sessions. If you wish to take the placement test, the fee is \$25, check or money order. (This fee increases to \$26 on October 1, 2008.) Please note, the placement test is not an admission test; it is used to assist in advising students to take the correct level of courses.
