FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS POLICY

Federal and state regulations require that in order to receive financial aid, you must meet the requirements of the Financial Aid Satisfactory Academic Progress Policy. EvCC's policy has two parts: 1) Satisfactory Progress; and 2) Progress Toward A Degree. When you apply for aid, the policy applies to all periods of enrollment, whether or not you previously received aid.

I. Satisfactory Progress

Grade Point Average (GPA) Requirements: Based on your enrollment status, you must complete all credits registered each quarter with a 2.00 quarterly GPA. At the end of the academic year, you must maintain a cumulative EvCC GPA of 2.00, and have a completion rate of 67% for all credits for which you received aid for the academic year to be in good standing.

Credit Requirements:

IF YOU ENROLL AS	AND YOU COMPLETE		
Enrollment Status	Status: Satisfactory	Status: Probation	Status: Termination
Full-Time	12+ Credits	6-11.5 Credits	Less than 6 credits
$\frac{3}{4}$ time	9-11.5 Credits	4.5-8.5 Credits	Less than 4.5 Credits
$\frac{1}{2}$ time	6-8.5 Credits	3-5.5 Credits	Less than 3 Credits
Less than $\frac{1}{2}$ time*	Credits for aid received	No probation allowed	Less than all Credits attempted
In addition, you must receive letter grades of A through D- or S with a minimum of 2.00 quarterly GPA			

*Note: Less than $\frac{1}{2}$ time students are not eligible to receive State Need Grant, Federal or State Work Study, Loans, EvCC Grants or EvCC Daycare.

The following grades do **not** count as completed credits:

E (failure) **I** (incomplete) **N** (audit) **W** (official withdrawal)
V (instructor withdrawal) **U** (unsatisfactory) **Y** (in progress)

If you earn 0 credits (due to E, N, V, U, or W grades) during the quarter for which you receive aid, the last day of attendance may be used to determine if you must repay all or a portion of the grant funds you received (reference: "Return to Title IV Funds Policy" available on request). In addition, if Federal Title IV aid was used to pay all or a portion of tuition/fees, a balance may be due at the Cashier's Office. It will be your responsibility to provide documentation that you attended all or part of the quarter. Students who are determined to owe a repayment of federal and/or state aid will not be eligible for financial aid until all funds have been repaid. **There is no exception to this policy.** Note: If an instructor posts grades late, this may impact your financial aid status.

II. Progress Toward Degree

Maximum Time Frame: A student receiving financial aid is expected to complete the program requirements within the number of credits and quarters specified for their program. All credits attempted by the student (regardless of the receipt of aid) at EvCC and any transfer credits from other school(s) will be included in the total credits. Students may be allowed to attempt 150% of college level credits than are required for their degree necessary. A maximum of 45 credits will be allowed for required development (below 100 level) coursework.

A maximum of two (2) programs of study (degree or certificate) may be pursued. However, only one (AS/ASS/ATA/AFA/AGS) degree may be funded. Only the longer timeframe (not both timeframes) of the two programs is allowed. Your transferable credits from prior colleges will be considered toward your degree at EvCC. Changes of program and/or maximum programs of study limitation will be considered on a case-by-case basis through an appeal process. Students with a 4-year degree may be eligible for limited financial aid, but must submit a written appeal for consideration.

Everett Community College's complete Satisfactory Academic Progress Policy and Conditions of Award are available at www.everettcc.edu/resources/financial.
