Entry Advising Preparation Sheet for New Running Start Students

Please carefully review the scenarios below and complete only the section applicable to you, before seeing an Entry Advisor.

1. If you submitted your COMPASS scores with your Running Start Application bring the following:
   □ Placement Test Scores (you can get a copy from the EvCC Testing Center or online, )
     ○ Reading: __________ Writing: __________
     ○ Math (you may not have a score for each of these sections; you should have a score for at least one):
       ▪ Pre Algebra: ________
       ▪ Algebra: ________
       ▪ College Algebra: ________
       ▪ Trigonometry: ________
   □ High School Equivalency Sheet (ask your high school's Counseling Office if your high school has one)

2. If you submitted your SBA scores & HS transcript with your Running Start Application bring the following:
   □ The placement email you received after submitting your scores
   □ Unofficial High School Transcript
   □ High School Equivalency Sheet (ask your high school's Counseling Office if your high school has one)

3. If you did not place into College level math via the COMPASS or SBA scores but have taken Algebra II with a C+ or higher at your High School AND you want to take College level math at EvCC, bring the following:
   □ Print off showing your current grade in your Math class (ie. from Skyward) or have your High School Math teacher complete the section below.
   □ Unofficial High School Transcript
   □ High School Equivalency Sheet (ask your high school’s Counseling Office if your high school has one)

High School Math Teacher Must complete this section:

As of the date: ____________________, the student listed on this form is earning the following grade: __________
Class Name: ___________________________________________________________
Teacher Name: ___________________________________ Signature: ____________________
