

Nooksack Valley High School Alternative Placement - Mathematics

For College the High School Program Course Entry

Through Everett Community College

Effective: Sept, 2014

The goal of Everett Community College is to encourage student success in mathematics. Realistic placement is critical for a student's success. In place of Compass or Accuplacer assessments, students may be placed according to the following guidelines:

<i>If your last math course was ...</i>	<i>and you earned a grade of ...</i>	<i>and completed that course within</i> _____	<i>your placement will be ...</i>
Algebra II	B- or better	One or Two Years	Math& 141/142

* Math& 141, 142, and 151 require significant time and effort, often more than the minimum of 10 hours of out of class study time per week.
