

Everett Public Schools – Running Start Graduation Requirement Equivalency Guide for Classes of 2023-2026

High School Course	Bellevue College	Cascadia College	Edmonds College	Everett CC	Lake WA Tech	Shoreline CC
--------------------	------------------	------------------	-----------------	------------	--------------	--------------

All Running Start students should follow the policies and procedures set forth by their high school and college, including meeting with their high school counselor AND college advisor prior to selecting courses. The equivalency chart below is a guide and students should work with their counselor and advisor to determine courses that meet their graduation requirements and post-high school goals.

English						
9 th Grade	<ul style="list-style-type: none"> ➤ For all English course work at the 100 level or above, five quarter hours or three semester hours shall equal 1.0 high school credit. ➤ <u>English 101 is typically required of all Running Start students.</u> English 101 and English 102 will fulfill 11th and 12th grade English graduation requirements. Additional English courses may be taken to make up for past English credit deficiencies. *English 102 not available at Bellevue College 					
10 th Grade

◇ Not all World Languages are taught every year, and offerings change often at each community college.						
Electives	Additional courses beyond specific core requirements will count for elective credit.					

NOTE:

- All Running Start students are **required** to complete the High School & Beyond Plan tasks, including completing their Senior Survey **and** uploading a current resume in Naviance. See your high school counselor for details.
- High school counselors are the best guides for your high school graduation requirements.
- College advisors are the ones who can help you with the college degree requirements.
- Please see the appropriate counselor/advisor for further information.
