### How did you do?

If you scored a 70% or higher, you should be good to go. If you scored less than 70% consider brushing up on basic algebra skills through online resources or by enrolling in a class.

If you scored less than 55%, it is recommended that you consult with EvCC's transitional studies department prior to registering for this course or complete a basic algebra course. Visit [EverettCC.edu/Transitional](http://EverettCC.edu/Transitional) for details.

Tip: Take an instructor-led or self-paced Introduction to Algebra course at [ed2go.com/everett/](http://ed2go.com/everett/)
