Ointment and Sunscreen Authorization

Licensing permits childcare staff to administer lip balm, baby powders, diaper ointments and sunscreen to a child; however, they are considered medications and therefore require signed parent or guardian consent. Parents can sign a blanket authorization for these items, but must supply their own ointment/sunscreen, in its original container, and label it with their child’s name. Ointments and Sunscreen will be applied according to the directions on the container. A record of application will be maintained on file.

PLEASE PROVIDE THE FOLLOWING INFORMATION:

Child’s Name: _______________________________________________________________

Name of Ointment: ____________________________________________________________

Reason for Ointment: ________________________________ Amount to Use: ______________________

Frequency: __________________________________ Start & Stop Dates: ______________________

Possible Side Effects: __________________________________ Proper Storage: ______________________
